

ASPIRING YOUTH

Summer Adventures. Life Connections.

2016 Aspiring Youth Summer Camps

Our themed camps offer incredible enrichment activities as a foundation and our master's level counselors help campers build confidence and connect to new friends. Campers pursue the same social skills curriculum as our traditional camps with a shared-interest activity as a forum for growth. Campers participate in morning workshops and afternoon field trips and are divided by age group.

Cost: \$500 per week (themed camps are 2 weeks in duration for a total of \$1000)

NEW LOCATION: *Lions Park, Poulsbo*

Camp runs **Monday – Thursday**, 9:30am – 3:30pm

Early drop-off and late pick-up: 8am – 5:30pm, \$100/week

Our Campers

We welcome campers ages 8 and up who benefit from a small group environment. Some are shy, some are quirky, and some are twice exceptional. Some of our campers have a diagnosis of Asperger's Syndrome, learning disabilities, or other similar traits.

About Us

- Nationally accredited, innovative program serving families since 2004
- Dynamic master's level professionals with a 4:1 camper ratio
- Social skills growth through small group check-ins
- Sustainable friendships through year-round social skills groups and alumni events
- Free enrollment meeting with clinical coordinators to ensure group fit and identify goals
- Connect through weekly parent groups and receive updates on your child's progress

Building & Inventing Camp Lions Park, Poulsbo

Building and Inventing workshops allow campers the chance to work together on group Lego/K'nex and other creative building. The workshops are a perfect forum for campers to improve teamwork, creative collaboration, communication and flexibility. Campers learn principles of designing, building, and group collaboration in a fun and creative environment, promoting intellectual stimulation. Capstone Building Showcase gives campers an opportunity to display their work for families and friends.

Campers choose from additional field trips such as indoor rock climbing, clay pottery, swimming, Museum of Flight, guided nature tours, art, and many more.

Social Growth Topics - We work with parents and campers to formulate individualized social learning goals such as:

Conversation initiation, flexibility, leadership, sharing ideas, sustaining conversations, self-identity, teamwork, independence skills, long-term goal setting, assertive communication, emotional regulation, personal wellness and more.

Poulsbo Dates:

Week of 7/25
Week of 8/1
Week of 8/8
